

MAKING CARE COUNT FOR COLLEGE

- 1.** I am unique. Respect and love me for who I am.
- 2.** Everyone should have the right to be happy and feel wanted. Help me to find the right course and please listen to me if it isn't right.
- 3.** My college should be safe, comfortable and healthy and I should have the opportunity to feel like part of the group.
- 4.** I should have the opportunity to have fun. I should have the time to have a hobby or take part in a sport.
- 5.** I might have moved home several times please help me to make tutors aware if I am having a rocky ride in my life.
- 6.** College is sometimes a hard place to be. Please give me extra help if I need it. Tell me what support I can get.
- 7.** Having a worker helps. They sort things out and check that I'm ok.
- 8.** From time to time I may find it difficult to express myself, please take time to guide me.
- 9.** When I have achieved what I am able and am ready to leave College I will need help and guidance to move on successfully. Help me to choose the right path.
- 10.** Please don't forget about me once I have left care and College.
