

16-18 Discretionary Bursary Payment Table 2018/19

The payment amounts below are based on students studying at least 540 'registered' hours over the academic year – students studying less than 540 'registered' hours will receive half of the amounts shown below.

Please note that payments are attendance based and where students do not meet the required monthly attendance criteria of at least 75%, payment will be stopped for the month/period in question and there is no recourse for appeal.

Attendance is calculated by sessions attended/missed, rather than days attended/missed – for full details on the attendance criteria attached to financial support, please refer to the 16-18 Bursary Fund/Free Meal Entitlement Procedure 2018/19:

16-18 Bursary Payment Schedule – please note that these payments are 'expected' dates only and 'actual' payment dates will vary dependent on the application submission date and register data being completed by the expected payment date.

The application process can take up to 6 weeks from the date of submission but due to high volumes at the beginning of the term, this period may be extended but where possible, we will endeavour to keep this to a minimum.
