

19+ Discretionary Bursary Payment Table 2019/20

The payments below are based on students 'registered' hours over the academic year.

Please note that payments are attendance based and where students do not meet the required monthly attendance criteria of at least 80%, payment will be stopped for the month/period in question and there is no recourse for appeal.

Attendance is calculated by sessions attended/missed, rather than days attended/missed – for full details on the attendance criteria attached to financial support, please refer to the 19+ Bursary Fund Procedure 2019/20:

	Payment Frequency	Monthly Amount	Total Yearly Payment (where full attendance criteria is met and the student is enrolled onto a programme that lasts the duration of the academic year)
Students studying at least 450 'registered' hours	See Payment Schedule	£100.00	£1,100.00
Students studying less than 450 'registered' hours	See Payment Schedule	£50.00	£550.00

19+ Bursary Payment Schedule – please note that these payments are 'expected' dates only and 'actual' payment dates will vary dependent on the application submission date and register data being completed by the expected payment date.

The application process can take up to 6 weeks from the date of submission but due to high volumes at the beginning of the term, this period may be extended but where possible, we will endeavour to keep this to a minimum.
